“Great Promises, from a Great God, to create Great Believers to do Great Things for His Kingdom”

---

## 2008 Theme “More”

Whatever you are experiencing or wherever you are spiritually, there is more for you.

Whatever your view of who God is, He is more. As a believer, your relationship with the Lord can never reach its limit.

The Lord wants to give you more, He wants you to experience more, to bless you more, to encourage you more, to use you more, to protect you more, and to make you more like Christ. Because we are children of a Sovereign King, we need to expect more, pray for more and to walk more humbly before Him.

In all things we surrender our lives and give Him more of ourselves than ever before.
